Such notice shall be published in the British Columbia Gazette and in one daily and one weekly newspaper freely circulating in all parts of the Province. When the proposed Private Bill is of a local nature, the notice shall be furthermore published in some newspaper in the electoral district affected, or if there be no newspaper therein, then in the nearest electoral district in which a newspaper is published. Such notice shall in all cases be continued for a period of six weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

72. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received

after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with copies of the notices published.* Such publication to be proved by affidavit or declaration to the satisfaction of the Clerk of the House. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House the sum of three hundred dollars. If a copy of the Bill, Petition, and notices shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session, or if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. 78. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills. Special grounds shall be established for any proposed departure from this principle or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

82. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring $10\frac{3}{4}$ inches by $7\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each paper; the numbering of the lines is not to be run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By Rule 83, a model form of Railway Bill is adopted. A copy of same can be obtained upon application to the Clerk.

All Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

DOMINION ORDERS IN COUNCIL.

P.C. No. 1510.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 5TH OCTOBER, 1926.

THE Committee of the Privy Council have had before them a report, dated 30th September, 1926, from the Minister of the Interior, submitting that by Order in Council of the 17th February, 1925, P.C. 257, an area of sixty acres, comprising Legal Subdivision 3 and the North Half of Legal Subdivision 4 in Section 36, Township 22, east of the Coast meridian, in the Province of British Columbia, was granted to the Township and City of Chilliwack as an addition to the park-site adjacent thereto.

The area so granted had previously formed a part of Timber Berth 55 under licence to the North Pacific Lumber Company, and application had been made by the Westminster Mills, Limited, of New Westminster, B.C., assignees of the registered berth-holders, for a mill-site covering the sixty acres in question, upon which, according to a report submitted by an official of the Department of the Interior, merchantable timber exists to the extent of 1,165,000 feet B.M.

The Westminster Mills, Limited, has now agreed to accept a mill-site elsewhere, together with the privilege of selecting an equivalent quantity of

9. (1.) Nothing in these regulations shall be held to prevent irregular parcels of land from being laid out into lots in such manner as appears desirable, or parcels of land granted, sold, leased, or otherwise dealt with from being laid out according to the description in the grant, deed of sale, lease, or other instrument, or the describing of the said parcels of land by numbers according to a plan of

record by metes and bounds, or by both, as seems expedient.

(2.) The Minister may dispose of land for special subdivision purposes and the letters patent granted to the purchasers of the lands in any subdivision shall be issued without any reservation to the Crown of the merchantable timber growing thereon.

ROADS.

10. (1.) The word "highway" as used in this section shall mean all public wagon-roads, streets, roads, trails, lanes, bridges, and trestles, but shall not include canal, towing-paths, or other like public ways.

(2.) The authorities of the Province of British Columbia shall, during the pleasure of the Governor in Council and subject to the provisions of these regulations, be authorized and empowered to make and establish such public highways through or over Dominion lands in the Railway Belt, exclusive of areas set apart as Dominion forest reserves and parks, but including lands held under homestead entry, contract of sale, lease, licence, or any other form of occupancy, and also including foreshores and lands covered with water, as if the British Columbia "Highway Act," chapter 99 of the "Revised Statutes of British Columbia, 1911," as amended by chapter 29 of the Statutes of 1913, were applicable to the said Dominion lands.

(3.) Notwithstanding the powers conferred upon the Provincial authorities by the preceding subsection, the Governor in Council may authorize the location and construction by any person of such public highway as he may deem expedient through any land subject to these regulations, and for that purpose may take or authorize to be taken without any notice and without any consent on the part of the person owning or occupying such land, or having any claim, estate, right, title, or interest therein, any requisite area of land, and any existing roads, whether the area so taken be or be not in excess of the Provincial allowance for roads, in any section, quarter-section, or legal subdivision, and may also enter upon or authorize entry upon any such lands and the taking therefrom of any gravel, stone, timber, or other material required for the construction of such highway or for the purpose of cutting and maintaining any drains that may be considered necessary.

(4.) Whenever any highway is made and declared and has been put into actual use by the public, or whenever the Governor in Council has established a highway as provided in the last preceding subsection, such public highway shall become the property of the Province, the legal title thereto remaining in the Crown for the public use of the Province, subject to reversion in the case of closing or abandonment as hereinafter specified; provided that the ownership of any minerals under such roads shall not be affected by the making or establishing of any such highway.

(5.) No road so established by the Governor in Council shall be closed up or its direction varied or any part of the land occupied by it sold or otherwise alienated without the consent of the Governor in Council.

(6.) Whenever any road constructed by the Provincial authorities over any of the lands subject to these regulations is later closed by the same authorities or by reason of abandonment or otherwise ceases to be a public highway, or whenever any road established by the Governor in Council is closed in the manner specified herein, then in either such case the part of such highway (if any) which was comprised of Dominion lands when constructed, and which at the time of such closing or ceasing to be used as a public highway is still situated across or adjacent to Dominion lands, shall revert to and become the property of the Crown in the right of Canada and may be dealt with by the Minister subject to these regulations.

(7.) Until necessary highways providing means of egress and ingress to the lands of settlers and landholders shall have been located and constructed, a convenient right-of-way not exceeding sixty-six feet in width over any Dominion lands disposed of is hereby reserved for the use and convenience of

settlers and landholders in passing from time to time to and from their locations or lands, to and from any now existing public highways; providing always that such settler or landholder making use of the aforesaid privilege shall not damage the fences or crops of the occupier located on the land over which such right-of-way is reserved.

(8.) Notwithstanding any other provisions of these regulations, in case the Provincial authorities and the Governor in Council should both establish highways across the land of any owner or occupier, no greater area shall be taken without compensation from such owner or occupier for the purpose of the said highways than is permitted to be taken by the Provincial authorities under the said British Columbia Act.

(9.) Every homestead entry, contract of sale, licence, or any other form of occupancy, patent or other grant hereafter issued of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of an area for road purposes and compensation for the same as provided herein.

HOMESTEAD RIGHTS.

11. Every person who is the sole head of a family, or, being a male, has attained the age of eighteen years, and who is a British subject or declares intention to become a British subject, and who has not heretofore exhausted his or her homestead right on Dominion lands either in the Railway Belt or elsewhere, shall on making application in the manner prescribed by these regulations be entitled to obtain homestead entry for any quantity not exceeding one quarter-section of available agricultural land open to homestead entry.

12. Lands mentioned and described in section 5 of the Dominion "Water Power Act" and amendments thereto, in section 36 of the Dominion "Lands Act" and amendments thereto, in section 2 of the Water Lands Regulations; lands valuable for timber, hay, stone, or marble; and lands which have been disposed of or which have been withdrawn from the operation of these regulations, shall not be open to entry, but other surveyed lands in the Railway Belt which are suitable for agriculture and are unoccupied shall be open for entry: Provided that no entry for a homestead shall convey any right to minerals within or under the land covered by the entry, or any exclusive or other property or interest in, or any exclusive right or privilege with respect to, any lake, river, spring, stream, or other body of water within or bordering on or passing through the land covered by the entry.

13. (1.) *Small Holdings.*—The Minister may grant homestead entries to eligible applicants for vacant and available lands in areas not exceeding a legal subdivision of forty acres, more or less, or for such other areas less than one hundred and sixty acres as in his opinion it is expedient that the particular locality or parcel of land affected should be disposed of in the public interest, or for the purpose of the settlement of disputes of conflicting claimants for any other special reason.

(2.) The Minister may, in the case of lands deemed to be specially valuable, dispose of same in such areas and on such terms and conditions as to price and settlement duties as he may see fit; or may dispose of same at public auction in such areas and at such upset prices and such further terms and conditions as he may see fit.

14. *Right of Entry.* Any person who has secured entry in the Railway Belt for less than a quarter-section of Dominion lands may, after approval of patent therefor, again make entry as provided, and after approval of patent in connection with the latter may make another entry, and so on; the right of homestead entry shall be deemed to include conditional-purchase homesteads, and no person shall be permitted to acquire Dominion land in the Railway Belt under entry either as free homesteads or conditional-purchase homesteads, or both, amounting in the aggregate to more than the area of a quarter-section.

15. (1.) *Conditional-purchase Homesteads.* The Minister may grant entries to eligible applicants for areas not exceeding forty acres, more or less, as conditional-purchase homesteads, and may at his discretion apply this privilege only to alternate

legal subdivisions of the parcels or tracts of land affected.

(2.) The entrant in such cases shall pay for the land entered for at the rate of five dollars per acre, payable one-fifth cash at the time of entry and the balance in four equal annual instalments, with interest at five per cent. per annum on the amounts unpaid, at the end of each year from the date of entry.

(3.) Cultivation duties upon the land entered for shall be required during each of five years after the date of entry or commencement of duties. Such entrant shall become entitled to patent after the expiration of the said five years, if the purchase price and interest have been paid in full and the residence condition fulfilled; provided that eight acres of the land entered for have been thoroughly cleared and stumped and cultivated and an additional eight acres rough-cleared and seeded to grass or otherwise cultivated between the stumps.

(4.) Such entrant shall be required to reside on the land for at least six months during the last year of earning patent in a house which at time of application for patent must be worth at least three hundred dollars.

(5.) An entry for a conditional-purchase homestead may be cancelled for failure to comply with any of the above conditions or for failure to perform a reasonable amount of cultivation duties during any one year before issue of patent.

(6.) An entrant shall not hold an entry for a homestead and for a conditional-purchase homestead at the same time. An entrant for a conditional-purchase homestead shall not be permitted to assign or transfer his right thereto before issue of patent.

16. (1.) All persons who have received homestead entry for land within the Railway Belt shall be entitled to the timber on their respective homesteads free of dues, but this provision shall not apply to any timber granted prior to the date of the entry for the homestead, nor to any timber in respect of which any licence or permit has been issued to any other person, nor shall it apply to timber for which dues have either been paid or are due the Crown.

The timber on a homestead becomes the property of the homesteader only when he obtains the patent for such homestead, unless it was previously granted under a licence or permit. Should the homesteader desire, before obtaining patent, to clear a portion of his homestead for cultivation purposes, he can, upon making application to the Crown Timber Agent, obtain a permit to cut and sell the timber thereon free of dues. If he desires to cut timber outside of the tract he is clearing for the purpose of selling such timber, he may obtain a permit to do so from the Crown Timber Agent upon payment of the same dues as are collected from licensees of timber belts, and when the patent for the homestead is issued a refund will be made to the patentee of any dues so collected from him.

(2.) Where letters patent have been issued, under regulations formerly in force, for lands in the Railway Belt in which the timber is reserved to the Crown, and where it is shown on inspection by an officer of the Department that there is not more than 2,000 feet B.M. of merchantable timber to the acre on lands in the Kamloops Division, nor more than 5,000 feet B.M. of merchantable timber to the acre on lands in the Coast Division and the wooded portion of the Revelstoke Division, the Minister of the Interior may issue supplementary letter patent to the owner of such lands conveying the right to the timber; provided, however, that such timber is not held under licence or permit.

17. Lands containing coal or other minerals, whether in surveyed or unsurveyed territory, may be disposed of in such manner and on such terms and conditions as may from time to time be fixed by the Governor in Council by regulations to be made in that behalf.

18. It is hereby declared that no grant from the Crown of lands in freehold, or for any less estate, has operated or will operate as a conveyance of the minerals therein, unless the same are expressly conveyed in such grant.

GRAZING LANDS.

19. The Governor in Council may from time to time grant leases of unoccupied Dominion lands for grazing purposes to any person or persons for such term of years and at such rent in each case as may be deemed expedient.

SOLDIER SETTLEMENT.

20. The regulations for the granting of free entries on Dominion lands to settlers under the authority of the "Soldier Settlement Act" and amendments thereto are hereby declared to be applicable, with necessary changes, to the Railway Belt, and the effect of such regulations is hereby declared to be retroactive so far as the Railway Belt is concerned.

RAILWAY RIGHT-OF-WAY.

21. The consent of the Governor in Council may be granted to all colonization railways to construct their lines over such unoccupied lands in the Railway Belt as may be at the disposal of the Crown; provided plans of the lines of the said railways, signed by a Dominion Lands Surveyor, approved by the Surveyor-General and confirmed by the Board of Railway Commissioners for Canada, are filed in the Department of the Interior.

Unoccupied lands which are at the disposal of the Crown may be reserved for and be granted, subject to the conditions hereinbefore mentioned, to the said companies free of charge where required for purposes of right-of-way and station grounds.

The Orders in Council of the 13th July, 1895, P.C. No. 1745; the 28th December, 1893, P.C. No. 3425; the 15th July, 1886, P.C. No. 1291; and the 9th November, 1910, P.C. No. 2205, are hereby declared to be applicable to the Railway Belt.

22. The provisions of the Dominion "Lands Act" and regulations made thereunder are hereby declared to be applicable to the Railway Belt where not inconsistent with these regulations. 1908-oc21

P.C. No. 1410.

CERTIFIED TO BE A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL, ON THE 21ST SEPTEMBER, 1926.

THE Committee of the Privy Council have had before them a report, dated 1st September, 1926, from the Right Honourable Arthur Meighen, for the Acting Minister of the Interior, submitting that by Order in Council of the 11th November, 1915 (P.C. 2639), the surface rights of the "Christobel" and "Marcia" mineral claims in the Kamloops Division of the Yale District, Province of British Columbia, were, together with the surface rights of certain other mineral claims, vested in His Majesty the King in the right of the Province of British Columbia, under the terms of the agreement between the Dominion and the Province with reference to mineral lands in the Railway Belt.

The description of the lands affected by the mineral claims in question, as set forth in the above-mentioned Order in Council, erroneously included certain lands the surface rights of which had been previously disposed of, and the said description was accordingly amended by the Order in Council of the 26th April, 1922 (P.C. 854).

It is now represented by the Government of the Province of British Columbia that the Company which originally made application for the "Christobel" and "Marcia" mineral claims, and upon whose behalf the Government of the Province had made application for the transfer of the surface rights, is no longer in existence, having gone into voluntary liquidation. The suggestion has been made by the Provincial authorities that the lands affected by the said mineral claims should now revert to their former status as Dominion lands.

The Minister therefore recommends that the Order in Council of the 26th April, 1922 (P.C. 854), and the Order in Council of the 11th November, 1915 (P.C. 2639), in so far as the latter Order deals with the "Christobel" and "Marcia"

mineral claims, be rescinded, and that authority be given for the refund of the amount paid by the Province in connection therewith—namely, \$76.20.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) E. J. LEMAIRE,
Clerk of the Privy Council.

To the Honourable
The Minister of the Interior. 1847-oc7
